From some unknown path in the Atlantic each year, the herring following some readout in their fishy brain come home to the Mattapoisett River, swim upstream against current and any obstacle, to a goal in Snipatuit Pond which they knew only for the short period after they hatched. They then swam down stream to the track in the Atlantic that they are programmed to follow until triggered to return and lay their eggs. It is nature

Herring Inspector Antone Nunes says that the fish are running strong this year. It's one of the best runs in recent years. Catching is now only one day a week on Saturday and the whole run is completed in about 3 weeks so if you want to see the supreme effort, you had better hurry.

SIXTY YEAR RECORD TEMPERATURE SHATTERED ON SUNDAY, APRIL 7

It was surely a day that will take its place in our memory. As the temperature climbed everyone came out to bask. These photos were taken at Dennis Beach, Cape Cod. It was exactly like a day in Summer. Children waded and played in the shallows. Sunbathers soaked up the sun's rays on the beach. For April 7th, it was a most unusual day. Winter was forgotten.

Assessors' Computers on Override

MATTAPOISETT SELECTMEN'S MEETING
APRIL 9, 1991-by VIRGINIA MORGAN

Newly elected Selectman Paul E. Lambalot was welcomed by Selectman Daniel O. Mahoney at his first meeting last Tuesday. Mr. Mahoney served as temporary chairman in the absence of Chairman John DeCosta.

Because of the planning necessary for the May 4th annual town meeting, selectmen met with the Board of Assessors and Finance Committee to discuss the funding needed for the purchase of a computer system and to conduct a two-year revaluation of property.

Two articles will most likely need Proposition 2½ overrides, said Finance Committee Chairman Robert Banz. "We have talked about the computer system in generalities but not specifics for the \$12,000 computer system and the \$70,000 for one year and \$140,000 total package for the two-year revaluation. Following the discussion it was suggested the second article should ask for the \$70,000 for this year, with an explanation to voters that another \$70,000 will be needed next year to complete the state-mandated revaluation.

Assessor Chairman Harvey C. Blanchette opened the discussion by saying, "We have

and the finance committee two articles for town meeting to purchase a Wang 386 personal computer, IBM compatible system at a cost of \$12,000, which will be tied into the rules and regulations of the state Department of Revenue (DOR); the second article for a total package of \$140,000 to conduct a two-year revaluation starting on July 1, 1991 and ending January 1, 1993. With the computer system from DOR, the town will receive free software, free training and use of a technical advisor. The DOR allows small towns of this size with a computer system access to these extras.

Mr. O'Brien continued, "We like dealing with DOR; this is a nice arrangement. Other communities our size are using the total package and are satisfied. If we chose another company the hardware would have to go out to bid. Rochester is one of 60 towns in the state that has the system." Additionally, he noted a representative from DOR is willing to come to the town meeting to speak on the computer system to the voters.

An observer to the discussion, Paul Mathe-

son, Fairhaven assessor, said his town has a private company but added that Fairhaven has 8,000 parcels where Mattapoisett has only 4,200.

Finance Committee member Peter Kortright, who is familiar with computer systems, asked why is this system better than a private system? Mr. O'Brien replied, "the qualitative factor. Basically, the revaluation rests with us. We are dissatisfied with the system we are dealing with now and this dissatisfaction has put us a year behind."

Mr. O'Brien said outside computer systems have been discussed but "we would like to purchase our own. We have spoken to DOR representatives and outlined our proposal to them. DOR felt our department would implement it. This would be less expensive than going to an outside company." As to the personnel needed to operate the system, Mr. O'Brien said present employees will do the work.

On the complete revaluation that is state-mandated every 10 years, in conjunction with that done every three years, the two-year in-house (meaning every house visited), has to be done. Starting July 1, 1991 it should be completed by January 1, 1993 and the three assessors plan to work 15 hours per week doing the revaluation with part-time help.

Mr. O'Brien said \$45,000 was spent farm-

ing out assessors' responsibility. "Our data will be updated every 10 years at maybe one-half the cost. We can streamline bills and get them out on time, then the town will be certified earlier and not have to borrow. As Assessors we will have done our work."

Mr. Mahoney said there is no question the present system is inadequate, and this is an essential function. He expressed concern about the best way for the finance committee, selectmen and assessors to present the package to voters at town meeting.

Mr. O'Brien said with the new cards and the new data acquired at the end of the two years the data on the following year will just need to be updated. "All three of us have to go to assessors' school. If we are working part-time in the office it will make us more competent and be able to keep in contact with taxpayers."

RECEIVED AN INSPECTION REPORT from Tighe and Bond Engineers on the condition of the landfill. It was inspected March 26th and several minor conditions listed as special instructions will be checked by Health Agent Dale Barrows, such as windblown litter on the eastern and southern perimeters and along the treeline; erosion of the external slopes on the northern and eastern sides, and additional cover material should be spread along the southern slope where erosion has partially exposed some refuse.

The overall report done by Ronald Michalski, Engineer, gave a very favorable inspection result.

and claps from these children who have written and sent gifts to many of the area veterans. The 30 year old Sgt. Desrosiers said that he was a little nervous in the role of speaker but he soon was relaxed in the welcoming atmosphere and the eager attention of his audience. He told the group how wonderful it was to be home. "There is no place like the USA", said the sergeant. He also mentioned how great it was to see his wife and boys once again. The Desrosiers live in Myrtle Beach, South Carolina but he grew up in New Bedford and had come here to visit his mother who lives in the city. His cousin, Carol Regan, is on the staff of Old Hammondtown School.

Sgt. Desrosiers said that his duty in Saudi Arabia had been to arm the planes that flew day and night sorties to Iraq. His team reloaded the guns and bombs on the planes from King Saud's airport working a 12-hour day, 7 days a week. He said that because of the intense heat, often 120° to 140°, the men worked midnight to noon and noon to midnight shifts so that all could get some relief in the night hours. He said that the desert uniform that he was wearing was rather heavy material in spite of that heat. "The reason", Scott said, "was to contain the moisture lost through

and appreciated. In particular he mentioned the chapstick that everyone had used to keep the moisture in their lips. He said that the concern of the home folks in the USA had been apparent to the troops and had given them so much heart in the difficult and very foreign conditions. "On a 12 hour day", he said, "there is little time for relaxation other than sleep." The letters from home are most welcome of all pleasures he assured the pupils.

"Coming home was wonderful", he said, noting all the yellow ribbons and the welcome home signs. He had been returned in style, he said, by commercial jet and the stewardesses and passengers had made them welcome all the way.

After the questions he showed a video of the location in Saudi Arabia where he had been stationed, to give a first-hand look to his audience.

Babysitter Course Graduates

There are many more qualified babysitters
in Mattapoisett now, as 21 "graduates" re-
ceived their Certificates of Completion recent-
ly.

The Babysitter course was sponsored by the
Mattapoisett Fire and Police Departments, and
emphasized such basic C.P.R. as the Heimlich
Maneuver as applied to children choking,
fire prevention and awareness, security, and
most particularly calling for help in any
possible emergency.

New Home for Recycling

RECYCLING COUNTS!

Mattapoisett Recycling Center has a new home.

For your convenience the Center will happen at our TOWN LANDFILL AREA, off North Street, on the right (about a mile beyond the 195 overpass). You'll see the "Landfill" and "Recycling" signs. The Center is separate from the landfill - no stickers or coupons are needed - just bring your recyclables.

The Recycling Center will begin on Saturday, April 27th, from 8 to 2. It will thereafter be open every Tuesday through Saturday, 8 to 2 (same hours as the landfill).

Keep saving! Our efforts are really paying off.

See you on the 27th!

I think this opportunity given to the children at a young age is extremely important as well as a great challenge for them as well as the direction. I would really hope that everyone, staff and public, will make a real effort in supporting this Drama Club in the years to come because it is a very important stage of development and a well rounding experience. I congratulate all the cast; you did an absolutely impressive and professional job. Also to Jodi, Linda and Maryann for all their efforts on scenery.

OHS Band Takes M.I.C.A. Gold

The annual Massachusetts Instrumental Conductors Association Festival was held at Lexington High School, Sanbury Middle School and Horace Mann Middle school in Franklin on April 6th.

The Old Hammondtown School Concert Band consisting of fifty-four fourth, fifth and sixth grade instrumentalists competed at the Horace Mann Middle School. The Old Hammondtown School Band was awarded a Gold Medal for their category.

The thrust of these performances is to promote the importance of instrumental music throughout the state of Massachusetts. The instrumental groups that perform are evaluated on the basis of how well they play the pieces they perform.

The Old Hammondtown School Concert Band performed at 1:00 p.m. The three pieces of music the band played were: Salute to Liberty, Water Music and Edinburg Castle. Following the performance they were critiqued by Mr. George Parks, who is the Marching and Concert Band Director at the University of Massachusetts. Mr. Parks worked with them for a little over half an hour and had them replay numerous portions of their chosen selections. He had

many wonderful comments to pass on to them and their director, Mr. Stanley Ellis. It was obvious to Mr. Parks that Mr. Ellis had worked them hard and felt they were amazingly well prepared. Mr. Parks was especially impressed with the Old Hammondtown School trombone section. He commented that he had heard lesser quality from many high school trombone sections. Mr. Parks also was impressed with the number of parents in attendance, all of whom followed their children to the critique session. He applauded them and told them how important that kind of support meant and it was obvious in the performance of their children.

Open Monday - Friday 9:30-5:30, Sat. 10-3

An indication of the excitement and dedication surrounding the Old Hammondtown School instrumental program was illustrated by the fact that two students made the trip when they otherwise could have been in bed, having missed much of that week's school.

The residents of Mattapoisett can be justly proud of the support they provide to what clearly is a high quality program. Even in trying economic times, the community and school committee have stayed solid in their support of music in Mattapoisett.

Louise D. Rich dies at 87

Louise Dickinson Rich, 87, died on Tuesday, April 9th, at the home of her daughter Dinah Anderson of Mattapoisett. Mrs. Rich was the best selling author of "We Took to the Woods", a witty account of living in a wilderness home in northwestern Maine. Other books written by Mrs. Rich included "Only Parent", "Innocence Under the Elms", and "The Coast of Maine".

Mrs. Rich, born in Huntington, MA, grew up in Bridgewater where her father was the editor of a weekly newspaper. On a Maine canoe trip in 1933 she met Ralph E. Rich, a Chicago businessman, and they

Friends This and That Sale

Thinking of having a yard sale but you live in a hard to find place with low traffic count? Or maybe you just don't want the bother of posting signs and advertising.

Get yourself out of that predicament and help the Quakers of Mattapoisett Friends Meeting by joining with them on a Saturday morning in May for a This and That Sale. Proceeds will aid the meeting's Building Fund.

Outside space is available for \$10. The cost of indoor space, including a table, ranges from \$15.-\$20.

The sale is planned from 8:30 a.m. to 12:30 p.m. May 11th at the meetinghouse, 103 Marion Road (Route 6), East Mattapoisett. Church tables will feature old and new things, plants, flowers and shrubs, foods, books and clothing. Those who have already reserved space report they will be selling a wide range of items, from flea market goods to antiques and local collectibles.

In addition, Mr. McCarthy is a member of the Coastline Advisory Council. (Coastline Elderly Services is our area agency on aging under the Executive Office of Elder Affairs.)

Mr. McCarthy has served as chairman of the Tri-Town Health Care Campaign as well as Chairman of the Board of the Rochester Council on Aging.

The value of the time and expertise Joseph McCarthy gives to his fellow seniors is extraordinary and truly admirable. Rochester seniors have grown used to seeking him out for advice and assistance and he is always willing to go the extra mile and expend the many hours necessary to serve them.

Along with Mr. McCarthy's many services for and on behalf of his peers, he also serves as a Trustee for Rochester's Joseph H. Plumb Library.

Rather than sit back and relax in his "golden" years, Joseph McCarthy has chosen to use his education and professional and

9 to 18 for four, six or eight weeks of high quality sailing instruction starting Monday, June 24th. This well planned and creative program has been organized by the Beverly Yacht Club for many years and is based on the United States Yacht Racing Union's sailing manual "Start Sailing Right". A carefully selected team of collegiate senior instructors have already been hired: David Morris (Babson College '90), Anne Collins (Brown University '91), Jeffrey Egger (Salve Regina '92), and Susanna Sharp (Franklin & Marshall '94). Each has acquired certification by the United States Yacht Racing Union and the Southeastern Massachusetts Yacht Racing Association by successfully completing comprehensive courses sponsored by both organizations. Included also is their American Red Cross First Aid and CPR certification. Also an important part of the staff is a team of junior instructors certified by SMYRA and a team of "helping hands".

Prior to this season's start, Beverly Yacht Club is sponsoring an Optimist Clinic for instructors of area clubs - a first for the area. BYC is excited to have obtained the

In addition, he was the U.S. Optimist Dinghy Class Team Coach in the Worlds in 1985 - 1990, held in France, Holland, Spain, Canada and Finland. He also was the U.S. Team Coach for the South American Championships held each of those same years. He currently has been conducting clinics for instructors in Spain, Denmark, Finland, Japan and the United States.

Junior sailors, after passing a mandatory swimming test, are graded into six levels of sailing skills. Some 25 dinghies, including 420s and Optimists, provide the 'hands-on' experience under close supervision from the instructors at the club's excellent facilities in the center of Marion. The sailing activity culminates in a Junior Regatta August 19-21, which is attended by approximately 300 junior sailors from other clubs in southeastern Massachusetts.

While the staff ensures the emphasis is on developing sailing skills, many social events are included: Kickoff Family Dinner, cookouts, intermediate level overnight camping trip on a beach (sailed to and

MORTGAGEE'S SALE OF REAL ESTATE

5 Laura Lane, Mattapoisett, Massachusetts

By virtue and in execution of the POWER OF SALE contained in a certain mortgage given by Reusch & Sons, Inc., a Massachusetts corporation, of Mattapoisett, Plymouth County, Commonwealth of Massachusetts, to Fairhaven Savings Bank, a banking corporation duly organized under the laws of the Commonwealth of Massachusetts, and having its usual place of business in Fairhaven, in the County of Bristol and Commonwealth of Massachusetts, dated October 26, 1988, and recorded with the Plymouth County Registry of Deeds in Book 8790, Page 300, as extended by instrument dated August 23, 1990 and recorded with the Plymouth County Registry of Deeds in Book 9959, Page 255, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing, the same will be sold at Public Auction at 11:00 o'clock a.m. on Thursday, the 16th day of May, 1991, on the premises, all and singular the premises described in said mortgage, to wit:

The land with the buildings thereon in Mattapoisett, Plymouth County, Commonwealth of Massachusetts, bounded and described as follows:

Lot numbered 17 as shown on Subdivision Plan of Land in Mattapoisett, MA., prepared for Robert J. and Lisa M. Bertrand dated November 4, 1986, drawn by Arthur C. Thompson, Inc., Engineers and Surveyors, Marion, MA., as Plan #87-282 recorded with the Plymouth County Registry of Deeds in Plan Book 28, Page 847.

Together with an easement over Abby Lane from Walter T. Burr and Michael J. Hegarty dated April 22, 1987, recorded in Plymouth County Registry of Deeds in Book 7654, Page 64. Subject to a Declaration of Restrictive Covenant by Robert J. Bertrand and Lisa M. Bertrand dated April 23, 1987, recorded in Plymouth County Registry of Deeds in Book 7654, Page 60. Subject to an easement to Commonwealth Electric Co. and New England Telephone and Telegraph Company dated April 10, 1987, recorded in Plymouth County Registry of Deeds in Book 7634, Page 287.

Together with the right to pass and repass over the ways shown on said plan referred to above for the purpose of which streets and ways are normally used in the Town of Mattapoisett.

Subject to a drainage easement to be recorded herewith.

For title see deed of Robert J. Bertrand and Lisa M. Bertrand of even date to be recorded herewith.

The premises will also be sold subject to the following:

Subject to an Order of Conditions for Wetlands by Mattapoisett Conservation Commission dated May 13, 1987, and recorded in the Plymouth County Registry of Deeds in Book 7842, Page 104, and the Extension Permit dated May 27, 1990, and recorded in said Registry in Book 9752, Page 93.

Subject to all those set of facts as shown on the above plan of land recorded in the Plymouth County Registry of Deeds in Plan Book 28, Page 847.

Subject to an Order of Conditions for Wetlands by Mattapoisett Conservation Commission dated October 11, 1988, and recorded in the Plymouth County Registry of Deeds in Book 8790, Page 306.

Subject to the above drainage easement reserved by Robert J. Bertrand and Lisa M. Bertrand and recorded in the Plymouth County Registry of Deeds in Book 8790, Page 297.

Terms of Sale

Five Thousand (\$5,000.00) Dollars in cash or certified or bank cashiers check; Balance in thirty (30) days upon delivery of deed. Said sale shall be subject to all taxes, tax liens, municipal betterments and assessments, if any.

O.H. Annual Talent Show

Reported by

Sarah Arguin and Mariel Goddu

The students and teachers of Old Hammond-town School held their sixth annual Talent Show on April 4th in the cafetorium.

This year's show consisted of dancing, singing, poem readings, instrumental acts, and comedy moments throughout the show. Our one instrumental act was "Uptown Girl", performed by a seven member all girl band: Nichole Charbonneau, Brianne Hussey, Sandy Collins, Kristen Valliere, Kerrie O'Donnell, Sibyl Peterson and Gillian Kelley. her solo to "Pretty Woman".

Ben Mahoney, William Bender and Jullian Mitchell played the piano.

We interviewed some of the students on the playground who saw the talent show. Jen Rolfs, a fifth grader, said "My favorite act was the dance with Julie Peters, Becky Hamburgess and Mariel Goddu. I loved the way they danced to 'Groove is in the Heart'." Jimmy Reed said, "I liked 'Havin-a-Roni' with the puppets Ernie and Bert. Ben Halpren was great." Jessica Grondski said, "The Tooth Fairy was hilarious!" Jack Crouch dressed as a Tooth Fairy in a tutu was interviewed by Derek Gregoire.

Edgar Allen Poe's poem, "The Raven", was dramatically performed by Aldeen Collins, Portia DePina and Sarah Francis. The comic moments were provided by Matt Russo, Jordan Collyer and Shane Wilhelmsen. Our Master of Ceremonies was Bethany Oliveira. Nicky Sullivan and Mackenzie Peirce were in charge of the music and curtains.

After the teachers performed "The Boogie Woogie Bugle Boy", all the students in the talent show went on stage and everyone in the audience joined in as we sang Bette Middler's "From a Distance".

A special thanks goes to Kris Brammer, Margaret DeMello, Lynda Duggan, Mr. Reed, Carol Regan and Duane Smith who helped to put the show together.

Earth Day for Little Folks

Join the Recreation Department and the Manomet Bird Observatory for a discussion and presentation of local birds.

Live birds will be brought to the Wareham Town Hall Auditorium to teach one of a variety of topics such as adaptation, bird anatomy, or the problems of endangered species.

Manomet Bird Observatory, a non-profit research and education center specializing in long term research in environmental biology, including birds, marine mammals and habitats, will send Diane Clendaniel to discuss local birds. How do birds fly? What do birds eat? How do they sleep?

Suitable for elementary level children, the program will be Thursday, April 25th, from 4:00 to 5:00 p.m.; registration is required. To register stop by the Recreation Department Office, located on the ground floor of the Memorial Town Hall in Wareham. For more information contact Carolyn Lynch at 291-3186.

Cottrill, Jessica Rogers, Jason Goldovitz, and Courtney Hohne. The team competed in their 14th consecutive State Meet and now has qualified for the New England Math Meet which will be held on May 3rd at Canton High school. This represents the 11th time in the past 12 years that they have accomplished this feat. We wish them well as they continue to be ranked as one of the top Math Teams in New England.

Mattapoisett Council on Aging

SPRING FLOWERS NEEDED

Anyone with an abundance of daffodils, pussy willows or spring flowers who would like to share them with our shut-ins can bring them to the Council on Aging office, Room 202, Town Hall on April 17th, 18th, 19th or call 758-4110 for pick-up.

On the above dates our outreach volunteers will make up approximately 50 bouquets and they will be delivered by the Mattapoisett youth.

We hope you will be as generous as you always have been in the past.

PODIATRIST AT VILLAGE COURT

On Wednesday, May 1st, Dr. Michael Crowe, III, Podiatrist, will be at Village Court at 1:30 p.m. Call the council office (758-4110) if you wish to see him and kindly specify if you will need transportation.

VOLUNTEER RECOGNITION PARTY

All volunteers who assist the Council on Aging are cordially invited to attend a volunteer recognition party on Wednesday, April 24th, from 3:00 to 4:30 p.m. at the community room, Village Court, 1 Acushnet Road.

We look forward to seeing all of our volunteers. Refreshments will be served.

will be awarded to the high scorers following the luncheon. The three top trophies are classic silver Revere bowls.

At the luncheon gathering a notable puzzle authority will be guest speaker.

The actual competition consists of the solving of three puzzles - a warm-up, an intermediate, then a more challenging final game. Players have reasonable limits of time to spend on each puzzle, according to the degree of difficulty involved, and while each puzzle submitted is scored separately, it is the cumulative score of a contestant's entry that determines his place in the winners' column.

Doors to the library's community room, on the ground-level floor, at 732 Dartmouth Street will open at 8:30 a.m. The first game in the tournament will start at 9. On its completion participants will turn the puzzles in to the scorers and receive the intermediate blanks. Following the second round players will be invited to a coffee break that features favorite recipe goodies prepared by the ladies of the sponsoring Friends group.

For added information and/or travel directions readers may telephone 636-2215

The Friends organization is non-profit; net proceeds will be used to promote special services and cultural programs in conjunction with the Dartmouth library system.

Boat & Trade Show

For the first time ever a large in-water, new/used boat and marine trade show is being planned at the Seaport Inn in Fairhaven Saturday and Sunday, April 20th, and 21st. Featuring over 50 marine gear exhibitors and 30 boats of all types, the Fairhaven Seaport Marine Expo will offer recreational boaters the chance to view the latest in marine gear, services and vessels.

The Expo will take place on the grounds and waters of the Seaport Inn and Marina, off Route 6 and Middle street in Fairhaven. A number of groups will be on hand to discuss the latest in environmental news and boating safety. There'll also be something for every member of the family to enjoy, such as a small boat regatta, swim suit show, diving demonstrations, and harbor tours aboard a 56 foot 18th century reproduction sailing vessel, "Spray".

The Fairhaven Seaport Marine Expo will offer plenty of free parking and admission is \$2.00 for adults and \$1.00 for children.

Spring Work Day

LLOYD CENTER

The Lloyd Center for Environmental Studies is conducting its annual spring work day on Saturday, April 20th, from 11 a.m. to 4 p.m. As the day falls on Earth Day weekend, it is a great opportunity to do our parts in behalf of the environment while enjoying a productive, spring afternoon outdoors.

In addition to helping a local environmental organization, participants will get to learn more about how their efforts can directly benefit our local, pristine environment. Duties will include coastal, wooded trail maintenance, grounds maintenance, office organization/cleaning and other indoor/outdoor activities.

Work as long as you like or as short as you like. Every little bit counts and is appreciated, so spend a productive afternoon by the sea and help the Lloyd Center get ready for the days of spring and summer.

For more information contact the Lloyd Center at 990-0505 or stop by 430 Potomska Road in South Dartmouth Tuesday through Sunday 9 a.m. to 5 p.m.

exist at Old Colony, one for each of the vocational technical programs at the school. Under the requirements of M.G.L. Chapter 74, each vocational technical program at the school must have an Advisory Committee comprised of representatives of local business and industry related to the program area, organized labor, parents, and students. The Advisory Committee assists school personnel on equipment acquisitions, curriculum, instructional methods, and program evaluation.

The meetings of the various committees will begin with a dinner prepared and served by the Culinary Arts Department at Old Colony. Following dinner Old Colony's "Excellence in Effort" award winners will be recognized. The various committees will then meet in their respective shops with the Old Colony instructors.

SPED ADVISORY COUNCIL MEETING

The next meeting of the Old Colony Special Needs Parent Advisory Council is scheduled for Tuesday, April 23rd, at 6:30 p.m. in the School Cafetorium.

The agenda will include a review of the SPED Annual Program Plan as well as the use of P.L. 94-142 Funds. In addition, school-to-work transition programs will be discussed.

ENRICHMENT PROGRAM FOR 7th GRADERS

Beginning April 23rd seventh graders at Old Rochester Regional Junior High School will have the opportunity to participate in a unique and exciting after school enrichment program.

The career exploration program will be conducted on Tuesday afternoons at Old Colony Regional Vocational-Technical High School in Rochester from 2:30 to 4:30. Participating seventh graders will be transported to Old Colony from Old Rochester and returned from Old Colony home by school buses provided by Old Colony.

The program will be conducted on six consecutive Tuesday afternoons beginning April 23rd and ending May 28th. During the six sessions students will be given the opportunity to do "hands-on" activities in three different vocational-technical programs. Students will explore what the three careers entail and begin to learn a little more about the various career opportunities. In addition students will be allowed to construct and bring home various small projects.

The seventh grade program is being entirely funded by Old Colony, but does have the approval and endorsement of the

Old Rochester Regional administration. There will be no cost for the individual students who decide to participate.

Recently Mr. Bruce Ashworth from Old Colony met with the seventh grade classes to explain the program. He provided information for interested students to bring home to their parents.

Old Colony has conducted similar programs for students from Acushnet and Carver.

Questions about the seventh grade program may be answered by calling Old Colony at 763-8011.

New England Contradance

A New England Contradance will be held on Saturday, April 27th, at the Rochester Grange Hall, Hartley Road, Rochester from 8 to 11 p.m.

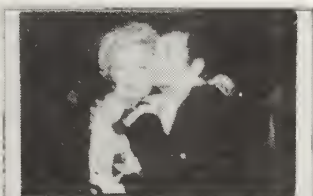

Beginners of all ages are welcome. Come alone or with friends; dancers change partners throughout the evening.

Instruction and calling will be provided by Steve Zakon, caller from Sullivan, NH. Steve regularly calls at dances across the country. Kerry Elkin on fiddle, and Jeremiah McLane on piano and accordion will play dance tunes from New England and beyond.
